Subject: Opposition to SB16

Please OPPOSE SB16

Please SUPPORT the following bills: SB388, HB5415 and HB5412

To the Judiciary Committee,

This bill has nothing to do with stopping juvenile crime. What we need to do is keep criminals behind bars and stop targeting law-abiding citizens' rights to defend themselves. Please oppose SB16 and HB5416 and support SB388, HB5415, HB5412.

Respectfully,
